- Double Bed (140x190cm) for 1 or 2 teenagers
- And/Or a large desk for Teleworking
- Heating / air-conditioning reversible

2 baby travel cots available, but, owing to the presence of the mezzanine & the pond even if it's not deep, we advise families coming with children able to walk but who are unable to swim, that this gite maybe not appropriate. Reason why we'd added a barrier downstairs & locks on each door of the house so that young children can not venture alone in the garden. However, if you come with young children, you undertake to ensure that an adult will always be with them in the garden to supervise. In the case of any incident, the lessor shall not be held responsible.

Surfaces mentionned are interior. With large walls made of stones + insulation, we lose 20m² of the outdoor surface of this house. So we already optimized the space inside & adding extra beds is impossible.

● LAND

Property of almost 70 000m² (200x600m / 650x2000ft) 1/3 of fields 2/3 of woods. This independent Farmhouse has a private garden approx 1500m², fenced (1m high), with 9m² Terrace under the Pergola & Private Jacuzzi under the veranda & hammock. Small pond, no smells & no mosquitoes, but with water lilies, dragon flies and frogs and toads, you might hear them in Spring. (but no frogs'legs on the menu !). Surrounded by wooded hills and agricultural land (fields, pasture for sheep and horses). Parking for 3 cars behind the house +10 000m² of shared & fenced garden by the pool 300m far

● SHARED SWIMMING POOL, Spa, Aquabike / RIVER & CANOEING

- ☐ This Accommodation give access to our heated Pool 28/32°C. 82/90°F from 15th of April to the 30th of Sept. (12x5m, including 1m for a spa with Aquabike & the padding • Treated with salt • + Poolhouse of 60m²/645 Sqft with bathroom, Kitchenette, summer dining room & games (Badminton, swings, table tennis, Table football, darts, also available there • Shared spaces for all our guests • are nearby, round the Main Farmhouse in the Brandettes hamlet, accessible via the path crossing the property on foot, by bike or car 3min/300m away in the middle of the property. • Pool protected by a dome & a 10000m² fenced field round this farmhouse • Built not too close to the houses, because in an environment very quiet, that's the only solution for the one who wants to dive not to bothered the one who wants to have a nap at the same time

• Private Pool = No lifeguard > Children may bathe ONLY if supervised by a parent. We are very strict on that point because the Dordogne Department is a very wild area & the emergency services are far away and they have to look after 100 000 pers. in summer instead of 10 000 in winter! • Please be aware, if you suffer from allergies, you might see some dogs & cats living in the shared spaces by the main farmhouse. Otherwise no insects or poisonous animals at home, except for a few wasps that come to drink at the pool at the hottest hours of the day in summer. For those who are allergic to their bites (or to Pollen as well), take in your luggage adequate anti-allergen because we are not allowed to give you any medicine. ☐ In the Dordogne river 5/6 km away (pebble beach, plastic beach shoes advisable). Man-made beaches at Gourdon, Grolejac, Tarniès (15km/10 miles)

● OTHER SPORTING ACTIVITIES

• Walks: Path along the house leading to the GR6 path & many others • Tennis at Salignac rent a court 10 min away • Horse-riding in Souillac & Sarlat • Cycle path along the river Dordogne 30km from Cazoules to Sarlat. Possibility to rent/book Bicycles along this path at Cap évasion in St Julien de Lampon ou Liberty Cycles in Sarlat • For more idears see our Website www.sibemol.fr & the option Distractions in the menu

● PETS

Allowed, if they are not aggressive with our other guests, our pets and other animals around (sheeps, horses, deers, squirrels, Hedgehogs, birds...). With a flea & tick collar, Special Bed covers to protect bedding and sofas from pet's fur. Even if we do cleaning very carefully, we have to pay attention on that point, for the allergic persons we often receive.

Agreement

ARTICLE 1 • LEASE

Under the terms of the present Agreement, the Lessor leases to the Tenant, who accepts, the moveable and immovable property designated below. The present rental will be governed by articles 1709 and following of the Civil Code.

ARTICLE 2 • DESIGNATION OF THE RENTED PROPERTY

A furnished house, situated at Magril, 21 path des Bruyères 24370 Simeyrols, with all the movable property in it, as described and in the condition stated in an inventory drawn up by amicable agreement between the undersigned parties, certified as true by them and an original copy of which will be attached to each of the originals of the present agreement (which will come into force upon entry into the property). Wood for the fireplaces is included in the cost of the stay. However, we would ask you to be careful with consumption of electricity (taking account, wherever possible, of the **off-peak periods from 10pm to 6am**) and water (not leaving taps running unnecessarily). Any excess consumption of water (in excess of 5 m³ per week) will be charged to the Tenant and must be paid for before departure. • Not to be able to claim any indemnity or reduction in rent, fixed at the rates below, in the case of power & Internet cuts, reduction or even prolonged cuts in the water supply, or equipment damaged which are not the fault of the Lessor. Likewise, in the event of any deterioration of your electronic equipment the lessor shall not be held responsible. Even with new electric boards, **it is recommended that you unplug computers & smartphones OR any equipment with electronic components during a storm.** • Not to be able to move any of the furniture in the rented property, nor change any of it. The rented furniture must remain in the position it is in at present • To return the house, at the end of the rental period, in good conditions. Even if cleaning at the end of the Stay is included, we would like you during your stay of before to go, to :

- Leave shared spaces in order & to close beach umbrellas every time to leave the pool

• To clean correctly Barbecue & Plancha in between each use

• Put all together in the bathtub, all house linen you've used during your stay
(Sheets, Towels, Bathrobe, Bath mats, Tea Towels, Table clothes, Cushions if necessary...)

• Empty & carry your garbage to the appropriate container along the roads of the village
(No incineration of our garbages for organic agriculture, buried the cost is about 4€ for each bag of 50l)

• Replace Furniture, Dishes, Tv, Connections Tv remote & Games where you found them

• & Start the Dishwasher just after the last breakfast
(50€ will be kept upon the damage deposit for each rule that will not be respected)

• To allow the Lessor to show potential tenants round the property, provided that she has given the current Tenant 48 hours' notice • Not to be able to cede, or sub-let, even partially, without the express written consent of the Lessor. • To respect the maximum occupancy, as indicated in the property description: the house will accommodate 8 people in comfort; maximum occupancy shall not exceed 10 people, unless the Lessor gives her express agreement. Should this be the case, she reserves the right to charge extra rent. • Not to bring any animals into the property, without the express agreement of the Lessor • To abstain altogether from putting down the sinks, basins, baths and toilets any objects which might block the pipes. Should this not be complied with, the Tenant will be liable for the costs incurred in rectifying any problems • The Tenant must take out insurance, with an insurance company, against the risk of theft, fire and water damage, both for the rental of the property, the moveable property therein and any claims which may be made by neighbours. He must provide proof of this to the Lessor by showing him a certificate of holiday insurance (an extension, normally included, to your house insurance). In the case of any loss, the Lessor absolves herself of responsibility for any recourse which her insurance company might have against the insurance of the Tenant.

- 1 Parasol (to fold every time you go out & every night because in case of some wind, it may be broken at once on our hills and in this case you will have to replace it)
- Parking for a car at the entrance of the field. In the field only with dry weather + another one by the pool
- + 10 000m² of fenced field, shared spaces round the main farmhouse & our heated pool, in The Brandettes Hamlet, accessible with path in 2min/300m by foot, bike or car

● SHARED SWIMMING POOL, Spa, Aquabike, Padding & Jacuzzi

- Nearby the Main Farmhouse, in The Brandettes Hamlet, shared Pool/Spa & Jacuzzi
- Really Heated Pool with air/water heat pump & the dome 28/32°C 82/90°F from 15th of April > the 30th of Sept. Treated with salt
- Jacuzzi on the beach of the pool in free access 1st of April > the 31st of Oct. (for adults only like the Spa with pump for massage too powerful for children)
- 12x5m, including 1m for the Spa with Aquabike & the padding
- + PoolHouse of 60m²/645Sqft with bathroom, Kitchenette, summer dining room & games (Badminton, Swings, Table tennis, Table football, Darts, also available there)
- Shared spaces for all our guests of the 2 others gites
- Accessible via the path crossing the property on foot or by bike or car 2mn/300m away in the middle of the property,
- Pool protected by a flat & rigid cover & a 10 000m² fenced field round this farmhouse
- Built not too close to the houses, because in an environment very quiet, that's the only solution for the one who wants to dive not to bother the one who wants to have a nap at the same time
- Private Pool, like in all the gites = no life guard so Children may bathe only if supervised by a parent We are very strict on that point because the Dordogne Department is a very wild area for the emergency services are far away & they have to look after 100 000 pers. in summer instead of 10 000 in winter!
- Please be aware, if you suffer from allergies, you might see some dogs & cats living in the shared spaces by the main farmhouse. Otherwise no insects or poisonous animals at home, except for a few wasps that come to drink at the pool at the hottest hours of the day. For those who are allergic to their bites, take in your luggage adequate anti-allergen because we are not allowed to give any medicine.

● SWIMMING AND CANOEING

In the Dordogne river 5/6 km away (pebble beach, plastic beach shoes advisable). Lakes & man-made beaches at Gourdon, Grolejac, Tamniès (15km/10 miles)

● OTHER SPORTING ACTIVITIES

- Walks on the GR path starting behind the house.
- Tennis at Salignac 2 courts to rent 10 km away.
- Horse-riding in Souillac & Sarlat 15 km.
- Cycle path along the river Dordogne 20km /12,5m from Cazoulès to Sarlat.
- Bicycle to rent along the path to book at the same time than the gite

- Accrobranche à Carsac 10km far on the road to Sarlat
- Quad, Bowling in Marcillac St Quentin à 15 km
- Kart in Salignac and much more on our website www.sibemol.fr > Distractions

● PETS

Allowed, with no fee, with a flea & tick collar & if they are not aggressive with our other guests in shared spaces, our pets and other animals around (sheeps, horses, deers, squarels, Hedgehogs, birds...). Special Bed covers to protect bedding and sofas from pet's fur. Even if we do cleaning very carefully, we have to pay attention on that point, because of the allergic persons we often receive.

Agreement

ARTICLE 1 • LEASE

Under the terms of the present Agreement, the Lessor leases to the Tenant, who accepts, the moveable and immovable property designated below. The present rental will be governed by articles 1709 and following of the Civil Code.

ARTICLE 2 • DESIGNATION OF THE RENTED PROPERTY

A furnished house, situated at Magril, 24370 Simeyrols, with all the movable property in it, as described and in the condition stated in an inventory drawn up by amicable agreement between the undersigned parties, certified as true by them and an original copy of which will be attached to each of the originals of the present agreement (which will come into force upon entry into the property). Such that all of this property exists, continues and is included without any exception or reserve. The present lease is agreed:

- | | | |
|------------------------|----|-------------------------|
| • for a period of | | days/week(s) |
| • with effect from the | 20 | , in between 4pm & 10pm |
| • and ending on the | 20 | , in between 8am & 10am |

Should the Tenant not leave the property on the day and at the time fixed above, he will be liable to pay the rent due, in respect of the unforeseen period, together with the amount of damages and interest which could be claimed by the subsequent tenant, whose stay would thus be compromised.

ARTICLE 3 • CHARGES & CONDITIONS

This rental shall take place in accordance with the following conditions, which the Tenant shall be obliged to carry out and accomplish, as follows: • To take on the rented property with the furniture and moveable property with which it is furnished, in its current condition, with which the Tenant declares himself to be fully familiar, having seen and visited it for the purposes of the present Agreement • To look after the rented property in a responsible manner, a **gite is not an hotel, but a house under your responsibility during your stay** (even if we are there, as soon as you need help, to inform you how to use an equipment you're not familiar with) without in any way compromising it or allowing any deterioration or damage (Otherwise the contract will be broken, if this rule is not respected & significant damage is reported and you will be asked to leave the accommodation immediately, & the rest of the stay "It not be refundable") • To maintain the rented property in good condition and return it in good condition at the end of the rental period • To maintain the garden in good condition, giving it the appropriate care and attention (the lawn is mowed once a month by a professional appointed by the owner), but you can water the thyme, raspberries or any other plant which is visibly suffering • Services: water, electricity, heating are included in the cost of the stay. (Heating is included in between the 1st of Oct. to the 15th of May, outside this period to switch on the radiants and/or for a temperature over 20°C, we will be obliged to charge 25€ per week) However, we would ask you to be careful with consumption of electricity (taking account, wherever possible, of the off-peak periods 2am > 7am & 2pm>5pm) and water (not leaving taps running unnecessarily). Any excess consumption of water (in excess of 2m³ per week) will be charged to the Tenant and must be paid for before departure. • Not to be able to claim any indemnity or reduction in rent, fixed at the rates below, in the case of power & Internet cuts, reduction or even prolonged cuts in the water supply, which are not the fault of the Lessor. Likewise, in the event of any deterioration of your electronic equipment the Lessor shall not be held responsible. Although, plugs to avoid power surges are available, it is recommended that you unplug any equipment with electronic components during a storm. • Not to be able to move any of the furniture in the rented property, nor change any of it. The rented furniture must remain in the position it is in at present • To return the house, at the end of the rental period, in good conditions. ● PETS

- Allowed with no daily extra-charges (with a collar anti-ticks & fleas) & if they are not aggressive with our guests, our dogs, cats & sheeps.... Special tissu & sheets at your disposal to cover couches and beds, if your pets like to come on your knees, because even if we clean very carefully our houses, we must think to the allergic persons we often receive

3/ Convention

ARTICLE 1 • LEASE

Under the terms of the present Agreement, the Lessor leases to the Tenant, who accepts, the moveable and immovable property designated below. The present rental will be governed by articles 1709 and following of the Civil Code.

ARTICLE 2 • DESIGNATION OF THE RENTED PROPERTY

A furnished house, situated in the Hamlet of Magril at the farm of The Brandettes, 24370 Simeyrols, with all the moveable property in it, as described and in the condition stated in an inventory drawn up by amicable agreement between the undersigned parties, certified as true by them and an original copy of which will be attached to each of the originals of the present agreement (which will come into force upon entry into the property). Such that all of this property exists, continues and is included without any exception or reserve. The present lease is agreed :

• For a period of	Nights(s)/week(s)
• with effect from the	20 , between 4pm & 10pm
• & ending on the	20 , between at 8am & 10am

Should the Tenant not leave the property on the day and at the time fixed above, he will be liable to pay the rent due, in respect of the unforeseen period, together with the amount of damages and interest which could be claimed by the subsequent tenant, whose stay would thus be compromised.

ARTICLE 3 • CHARGES & CONDITIONS

This rental shall take place in accordance with the following conditions, which the Tenant shall be obliged to carry out and accomplish, as follows: • To take on the rented property with the furniture and moveable property with which it is furnished, in its current condition, with which the Tenant declares himself to be fully familiar, having seen and visited it for the purposes of the present Agreement • To look after the rented property in a responsible manner, (a B&B is not a Hotel & this accommodation is under your responsibility during your stay, so leaving nearby, don't hesitate to ask if you need advice for an equipment you're not familiar with, rather to break something, in the middle of nowhere it's very complicated to have something repaired) without in any way compromising it or allowing any deterioration or damage (Otherwise the contract will be broken, if this rule is not respected & significant damage is reported and you will be asked to leave the accommodation immediately, & the rest of the stay 'll not be refundable) • To maintain the rented property in good condition and return it in good condition at the end of the rental period. • To maintain the garden in good condition, giving it the appropriate care and attention (the grass is mowed once a month by a professional appointed by the owner), but you can water the thyme, raspberries or any other plant which is visibly suffering from the heat • Services included in the cost of the stay: water, electricity, heating (included in between the 1st of October & the 15th of May. Outside this period and/or for a temperature over 20°C, heating will be charged 25€ per week if the weather do not justified to switch it on & if it's already 20°C inside) & wood for the brasero included too. & we will also ask you to be careful with consumption of water (not leaving taps running unnecessarily especially with hot & dry summer when we might have some restrictions). Any excess consumption of water (in excess of 5m³ per week) will be charged to the Tenant and must be paid for before departure • Not to be able to claim any indemnity or reduction in rent, fixed at the rates below, in the case of power cuts or Internet connection interrupted, reduction or even prolonged cuts in the water supply, which are not the fault of the Lessor. Likewise, in the event of any deterioration of your electronic equipment the Lessor shall not be held responsible. Although, plugs to avoid power surges are available, it is recommended to unplug any equipment with electronic components during a storm • Not to be able to move any of the furniture in the rented property, nor change any of it. The rented furniture must remain in the position it is in at present. • To return the house, at the end of the rental period, in a clean and tidy condition. Even if cleaning at the end of the Stay is included, we would like you during your stay of before to go, to :

- Leave Shared Spaces in Order & to close beach umbrellas every time to leave them
- To clean correctly Barbecue & Plancha in between each use
- Put all together in baskets, all House Linen you've used during your stay (Sheets, Towels, BathRobe, Bath mats, Tea Towels, Table clothes, Cushions if necessary...)
